Among Salt Lake City hotels, Little America stands apart as a superior choice—and not just because it's one of Salt Lake's most luxurious four-diamond hotels. The Little America Hotel offers spacious accommodations at surprisingly affordable rates.

Just ten minutes from Salt Lake International Airport, The Little America Hotel is an ideal base from which to explore Utah or Salt Lake City. Salt Lake City hosts a flourishing nightlife, a vibrant artistic and cultural scene, numerous museums, and sidewalks safe enough to stroll long after dark.

This Utah hotel is located in downtown Salt Lake City, the heart of business and culture. Here you'll find the homes of the Utah Jazz, the Utah Symphony and Opera, two nationally acclaimed dance companies, and the city's numerous restaurants, bars, nightclubs, art galleries, boutique shops, and coffee bars.

Sponsored events will include a reception on Tuesday evening at the hotel. There will also be a catered dinner at the Lion House Restaurant provided with entertainment on Wednesday night.

The General Conference Committee Meeting (half day) will be held at The Little America Hotel on the morning of July 23, 2015 and we encourage all OSA's to attend this very important meeting as well.

We are looking forward to having an excellent meeting in Utah!

Sincerely,

Denise L Brinson
