Communication

NPIP Qualified Members

• On-going communication of Biosecurity Principles since May 2017 approved Program Standard
• On-going communication of Biosecurity Principles since August 2018 Final Rule
• Includes emails, phone contact, one-on-one meetings with participants
• In-house veterinarians and contracted veterinarians preparing producers for compliance
Outreach

Regional

• Quality Assurance Seminar
• Game Bird Workshop
• CPF Member Board Meetings
• Co-host Seminars with PEPA
CA Farm Premises Biosecurity Plan

California SFS
- Developed by UC Davis and CDFA
- Designed to provide business continuity in the face of a foreign animal disease outbreak
- NPIP Biosecurity Principles Embedded in Plan
- Producers can submit to OSA in lieu of separate NPIP Plan
Conclusions

On-going Communication is Key
