USDA-NPIP Routine Activities
A Look back at the 2016 NPIP Biennial Conference
August 30-September 1
Bellevue, WA
2016 NPIP Biennial Conference

- Bellevue, Washington
- Over 325 attendees
- Biennial Results:
  - 41 9-CFR and Program Standards Proposed Changes submitted
  - 23 passed, including compartmentalization, biosecurity principles, and PCR use in Primary Breeder Labs.
  - 18 did not pass, either from failing, lack of a motion, or lack of a second.

Workplans were submitted to USDA for final approval and regulatory rule making.

Program Standards were approved by USDA and submitted for public comment in the Federal Register. No comments received. Final PS notice published on May 5th! Currently available on the NPIP website.
9-CFR NPIP Provisions

Proposed Rule Stage

Step 1
Regulatory Workplan

Step 2
Preparation of Proposed Rule

Step 4
Clearance Process

Step 5
Publication of Proposed Rule for Public Comment

Currently Here

Will contain 2016 changes
Database

Same old database with the same old problems! Please continue to email or fax your 9-5’s to the NPIP Office.

44th NPIP Biennial Conference

- The NPIP office is happy to announce that the 44th NPIP Biennial Conference will be held on June 26-28, 2018 at the very nice Franklin Marriott Cool Springs Hotel in Franklin, Tennessee.
  - Technical Advisory and General Conference Committee meetings will be on Tuesday June 26, 2018.
  - Biennial Conference General Session will be Wednesday June 27-28, 2018.

Call for proposals for changes to the National Poultry Improvement Plan and Auxiliary Provisions and Program Standards will be sent out in July 2017!
Oversee all aspects of each compartment including, but not limited to:

* Receive, review, and approve applications to become a compartment and add components as well as auditor applications to become a certified auditor.

* Plan, organize and facilitate official NPIP auditor training courses including field visits and continuing education classes.

* Propose budget for auditor workshops and schedule auditor component visits.

* Perform service reviews of auditors and compartments.

* Troubleshoot any issues that arise with the compartmentalization program.

* Work with NIES to provide necessary information when negotiating with our trading partners.
BOLO
(Be on the lookout)

- USDA-OSA MOU Renewal (due back by June 20th)
  - Final copy will be sent back to OSAs by July 1st.
- VS 9-4 Form- Annual Report submissions (Online)
